HOW TO REGISTER FOR CLASSES

All Community Arts Classes (except Karate & Jazzercise) require pre-registration through WALK-IN or CALL-IN. No mail-in or e-mail registrations will be accepted. No confirmation will be sent for any of our classes.

WALK-IN REGISTRATION (First time to register for any of the Enrichment Classes)

DATE: THURSDAY, MAY 23, 2002

WHEN: **Delta Township Residents** - 5:30 - 6:30 p.m.
Anyone - 7:00 - 8:00 p.m.

WHERE: **Meeting Room A, 2nd level of the Administration Building USE WEST ENTRANCE**

CALL-IN REGISTRATION

Open CALL-IN registration begins at 8:00 a.m. the day after WALK-IN registration (FRIDAY, MAY 24). Registration will remain open until all classes are filled. Our Phone number is 517-323-8555

REGISTRATIONS LEFT ON OUR VOICE MAIL SYSTEM BEFORE OR AFTER BUSINESS HOURS WILL NOT BE HONORED.

GENERAL INFORMATION

The Delta Township Parks & Recreation Office is located in the Administration Building at 7710 W. Saginaw Hwy, Lansing, MI 48917. We are on the 1st floor of the addition, using the West entrance. The office is open Monday-Friday from 8:00am-5:00pm. The Delta Township Parks & Recreation department will make reasonable accommodations, upon request, that enables individuals with disabilities to participate in our services, programs and activities.

PAYMENTS

Payments for all walk-in registrations must be made at the time of registration. Payments for phone-in registrations must be paid within three days of registration to hold your spot. Make checks payable to: Delta Township. Send checks to: Delta Township Parks & Recreation, 7710 W. Saginaw Hwy., Lansing, MI 48917. Please specify on your check what classes or programs you are paying for. No substitutions.

CLASS CANCELLATIONS

If a class is cancelled, registrants will be notified and full refunds issued. When programs or classes are cancelled due to the weather, a message will be placed on our program information phone line - 323-8550. Every attempt will be made to reschedule.

WANTED: INSTRUCTORS

Delta Township Parks & Recreation is always looking for innovative individuals who would like to share their expertise with others. Our program opportunities include all types of arts & crafts, dance, and special interest programs. Paid positions are available for persons interested in teaching children or adults. Scheduling is flexible. If you are interested in teaching a class, please contact us at 323-8555 or send in this form so we can contact you.

CLASS TOPIC

REGISTRATION EXCEPTIONS

Programs are designed according to instructor/student ratios and on age or level that will best benefit the student. Children must be within the specified class age group by the first class meeting. All adult classes are open to those who have reached the age of 18 prior to the first class meeting (unless otherwise specified in the description). Please do not ask us to exceed the class limits or put your child in the wrong age or skill level. Let us place you on the waiting list so we may attempt to create an additional class.

WE LOVE PARENTS, BUT...

With your child's best interest in mind, parents are invited to visit the last class meeting. Our instructors have found that quality instruction is affected by parent and sibling distractions during class time. We feel it is extremely beneficial for children to have recreational time with their peers. Our instructors are always happy to discuss your child's progress with you.

Adult Classes

TO REGISTER FOR THESE CLASSES SEE PAGE 3

CLASS LOCATIONS

The Delta Enrichment Center is located at 4538 Elizabeth Road (near the corner of Robins & Elizabeth).

The Delta Community Center is located and 7550 W. Willow Hwy, on the NE corner of Willow & Canal

BATIK BASICS - SEE YOUTH SECTION

CARDIO KICKBOXING AEROBICS - KICK TO GET FIT - AGES 15-ADULT

This class is for the intermediate to advanced fitness level participant looking for an aerobic conditioning workout. Instructor combines a variety of stretching, kickboxing, and athletic conditioning drills, along with hand weights and resistance bands to provide total body conditioning. Build muscle and tone your body while feeling empowered and reducing stress all in the same workout. Easy moves are choreographed to motivating music to leave you feeling like you received a full body workout. Participants can modify workout to meet their individual fitness levels.

Monday & Wednesday, 5:30-6:30pm, 6/3-7/24

(No class 7/3 & 7/17) - A101

9 Sessions - A102

Limit: 30 participants

CARDIO KICKBOXING PLUS BY ATA BLACKBELT ACADEMY - AGES 16 - ADULT

Great high energy, vigorous workout that aims at strength, toning and fat loss. Targets the entire body. Weights and tension bands are used.

Tuesday & Thursday, 6:30-7:30pm, 6/11-7/25

(No class the week of July 4) - A103

\$50.00

Instructor provided by ATA Blackbelt Academy

410 Elmwood Rd, Lansing

12 Sessions

Limit: 10 participants

CARDIO KICKBOX - SHINN'S TAEKWONDO - AGES 14-ADULT

We've taken the excitement, music and energy of an aerobics program, but instead of the same old aerobics moves, you're learning self-defense techniques like punching, blocking, and kicking in an action-packed workout. Each session includes 15 minutes of heavy bag workout to help you learn realistic kicking and punching techniques. Wrist wraps and bag gloves are optional and may be purchased at Shinn's for \$20.

Tuesday & Thursday, 7:30-8:30pm, 6/18-7/30

(No class July 4) - A104

\$48.00

Instructor provided by Shinn's Taekwondo

5601 W. Saginaw

12 Sessions

Limit: 10 participants

CORE CONDITIONING - AWESOME ABS AND BETTER BACKS

"Awesome Abs and Better Backs" is an exercise class designed to condition and lengthen the core muscles of the body (the abdominals, back, gluteus and hips). The participants will perform exercises from Pilates, yoga, dance and sports rehab that will not only strengthen the center of the body, but will also improve sports performance, functional strength, and overall posture.

Students will learn how to move from their "centers" out to their extremities, using the body as a whole unit, which creates balance and poise. Although performing these exercises has been shown to improve back pain and diminish the occurrence of chronic injuries, participants diagnosed with moderate to severe back pain should consult a physician before taking this class.

A regular exercise mat, or preferably a yoga "sticky" mat, is needed. Participants are also advised NOT to perform this workout on a full stomach.

Wednesday, 6:30-7:30 pm, 6/12-7/31 (No class 7/3) - A105

\$32.00

Sybil Shelton-Ford

RM 303 Enrichment Center

7 Sessions

Limit: 12 participants

DOG TRAINING FOR YOU & YOUR DOG - AGES 16-ADULT

This is no punishment training - using positive reinforcement to control the consequences of the dog's behavior. It is based on the click and treat method used in dolphin training and for animal actors in Hollywood. We will teach basic behaviors - "sit," "down," "come," "stay" and leash walking. We will also do problem solving using cues like "off," "give it," "leave it," "do your business," etc. Written instructions provided. Dogs must be 4 months old and handlers must be 16 years old. Please bring your dog's proof of rabies vaccination to first class.

Monday, 6:30-7:30 pm, 6/10-7/1 - A106

Monday, 7:30-8:30pm, 6/10-7/1 - A107

\$40.00

Sally Holliday

Lower Floor Community Center

4 Sessions

Limit: 10 participants

DOLLMAKING - GARDEN BUNNY

Loaded down with her garden's harvest, this hard working bunny is a sunny friend to brighten your summer. Join us for this fun class as we learn a simple sculpting technique to make our bunny's face. The instructor will provide a pre-sewn cloth body for you to stuff, stitch and embellish to your heart's content! We will make her apron, decorate her hat with dried florals and fill her basket with vegetables. No sewing machine required. Garden Bunny can be completely made by simple hand sewing and gluing. Supply list sent upon registration. Approximate supply cost is \$10-\$15.

KINDERMUSIK ADVENTURES -

"NEAR AND FAR"

Habitats of places Near and Far is the theme of this musical, traveling experience. Your child will explore the surroundings of "Over in the Meadow", "Under the Sea", "High in the Mountains", "Where Cold Winds Blow", and "Deep in the Rainforest". Lively music accompanied by movement activities, dance and drama will spark your child's imagination as she makes rain sounds with instruments, builds an ice house like an Eskimo, and moves like a monkey in the jungle. Your child will also participate in arts and crafts activities and enjoy a snack related to each locale. Required materials include a CD, a travel bag, stickers, arts and craft activities, and 5 picture folders. Parents participate in the last 15 minutes of every class. Register now by calling Carmen Karkau at 622-0607.

Tuition \$65.00 (due at 1st class to instructor)

Materials \$48.00 (due upon registering)

Monday-Friday, 1:00-3:00pm, 7/22-7/26

4 1/2-6 1/2 years old

KINDERMUSIK ADVENTURES -

"CONFETTI"

Through lively music accompanied by movement, games, dance, art activities, storytelling and percussive instruments, your child's imagination will be sparked as we visit with "Monkey" on his adventures. Preschool children are naturally curious and love to explore sounds of the world around them. Please join us in this fun filled class! Classes require active parent participation during the last 15 minutes of each class. Materials include a CD, 5 picture folders, a "Monkey and his Adventures" play set, a pair of Confetti Bells, and a daily art activity. Materials are required. Register now by calling Carmen Karkau at 622-0607.

Tuition \$50.00 (due at 1st class to instructor)

Materials \$44.00 (due upon registering)

5 Sessions

Limit: 9 participants

KINDERMUSIK ADVENTURES - "CREATURES IN MY BACKYARD"

Get ready for a seaside adventure with creatures from the sea and ocean play. Your child will learn about the beach, ocean fish, birds and animals, and the sea. Throughout each lesson, your child explores ocean movements such as a whale spouting, sings to delightful music including a lively Calypso tune, hears an original ocean creature story, plays with beachballs, and makes music with delightfully unique instruments such as shakers, castanets, and more. Materials include a CD, 5 picture folders and a pair of seashell handle castanets. Materials are required. Register now by calling Carmen Karkau at 622-0607.

Tuition \$45.00 (due at 1st class to instructor)

Materials \$36.00 (due upon registering)

Monday-Friday, 11:00-11:45am, 6/17-6/21

Limit: 10 children and 10 parents

KINDERMUSIK VILLAGE - "ZOOMBUGGY"

Imagine your child swinging softly in a blanket or dancing with you around a maypole. "Zoombuggy" provides a delightful environment unlike any other - an engaging experience of learning and bonding with your baby. Through a unique blend of multi-level activities that includes creative movement, vocal play, object and instrument exploration, and a colorful literature component, your baby's growth and development are stimulated and all of his senses engaged. Required materials include a CD, 2 art banners, a home journal, baby's literature book, and a clear vinyl storage bag. Moms and Dads are both welcome. Register now by calling Carmen Karkau at 622-0607.

Tuition \$56.00 (due upon registering)

Materials \$33.00 (due upon registering)

Limit: 8 participants

TIE-DYE BASICS - AGES 10-ADULT

Introductory class on tie-dyeing 100% cotton, silk or linen (hemp and rayon also work well). Students should bring 3-4 of their own items to dye and 3 gallon size ziplock bags. Students may call the instructor at 346-9485 to discuss selection of items to dye.

Class will cover demonstration and instruction on how to tie and dye some of the basic tie-dye patterns and dye them using direct application method of dyeing. Amazing results and lots of fun! Bring a \$10 supply fee to the first class. Wear old clothes or a large apron.

Tuesday & Wednesday, 5:30-7:30pm, 8/13 & 8/14 - Y114

10 & up

\$15.00

\$10.00 supply fee to be paid to instructor

Holly Speers

RM 301 Enrichment Center

2 Sessions

Limit: 12 participants

PARENT/CHILD YOGA

Participants will explore hatha yoga postures through simple exercises, games and dance-like flow sequences. Yoga benefits people of all ages by promoting the development of strong, flexible bodies and improved coordination, posture, concentration and relaxation. Bring water and one thick exercise or yoga mat.

Saturday, 10:00-10:45am, 6/1-6/22 - Y115

4-8 year olds with parent

\$14.00

Sybil Shelton-Ford

RM 303 Enrichment Center

4 Sessions

Limit: 12 participants

27TH ANNUAL FISHING DERBY

Sharp Park pond will be stocked and waiting for all you young anglers and your families. Youth between the ages of 2 and 15 are invited for a fun morning of fishing on Saturday, June 8. Parents are asked to remain with their children to offer guidance and encouragement and just to enjoy the time together as a family. Studies have shown that Americans spend over 50 million days per year fishing. You may be helping your child develop an interest in a new leisure activity. Leisure activities provide the ideal opportunity to lead balanced lives, achieve our full potential and gain life satisfaction.

Registration will take place anytime between 8:30 and 11:30 am with fishing taking place from 9 am to noon. All registered children will be entered into random drawings for gift certificates and merchandise donated by local businesses. There is no admission fee although all anglers are encouraged to bring canned goods for the food bank.

PRE-SCHOOL OLYMPICS

Gather up your young athletes and join us at Delta Mills Park on Saturday, August 17, from 10:00-11:00 a.m. for our 4th annual Pre-School Olympics. All boys and girls ages 2-5 are eligible to "compete." Our "Olympic" events include the obstacle course, discus throw, marshmallow shot put and some new and exciting events. We are encouraging the entire family to come and cheer on your young Olympian. Families that recreate together report greater stability and satisfaction. Participating in the Olympics will help promote a positive self-image in your child. Please call us at 323-8555 and let us know how many family members will be attending, as refreshments will be served for all. There is no admission fee but we encourage all young Olympians and their families to bring canned goods for the less fortunate. The Pre-School Olympics is sponsored by Delta Township Parks & Recreation and the Bretton Woods Lions Club.

MUSIC IN THE PARK

Join us for our 6th season of free live concerts at the Sharp Park Amphitheater. We have a great season lined up for you so pack a picnic, bring a blanket or lawn chair if you like and join us for a great time.

Our 2002 schedule is:

Sunday, June 9, 4:00-6:00 pm

US National Scottish Fiddle Champion Jeremy Kittel
Wednesday, July 3 6:30-9:30 pm – in conjunction with the Fireworks

Powerlight – Motown Band

Saturday, August 24, 12:00-2:00 pm – in conjunction with Touch A Truck Day

The Sea Cruisers – 50's & 60's pop/rock

RAINBOW TRAILS DAY CAMP

Delta Mills Park is the place to be for loads of summer fun. You'll make new friends while playing new and exciting games, creating works of art, taking field trips, enjoying special visitors, and more.

Children ages 6-12 (must have completed Kindergarten) are invited to attend. Each session runs for two weeks, Monday through Thursday, from 9:00 am to 3:00 pm. The dates of the three sessions are: July 8-18, July 22-August 1, August 5-15.

Each two-week session culminates with an overnight at the Community Center, complete with a bonfire, popcorn, and s'mores. This overnight is held the last Wednesday of camp and will begin with a family potluck dinner. Camp will dismiss at noon the last Thursday of each session. There will be NO after-camp care on the last Thursday.

Campers are asked to bring a sack lunch every day. A drink will be provided except on field trip days. A registration form is included in this brochure. For additional information please call 323-8555.

The cost of camp is as follows:

\$90.00 per child per session with the hours of 9-3

\$80.00 for each additional child, same family/same session, with the hours of 9-3

\$25.00 per session per child for additional hours of 7:30-9:00 am

\$35.00 per session per child for additional hours of 3:00-5:30 pm

Small additional fees for field trips and special visitors may be requested.

USA TENNIS 1-2-3 LESSONS

Delta Township Parks and Recreation in cooperation with Court One Athletic Clubs are offering Tennis 1-2-3 lessons. This is an introductory instructional tennis program designed to teach basic tennis skills to new players in a group environment. Our instructors will cover the fundamental strokes, rules, etiquette, scoring and playing points.

There will be two, three week sessions offered:

Session I (June 11 – June 27) & Session II (July 16 – August 1)

AGE	DAYS	TIMES	COST
6-9 years old	Tuesday & Thursday	9-9:55 a.m.	\$30
10-12 years old	Tuesday & Thursday	10-10:55 a.m.	\$30
13-15 years old	Tuesday & Thursday	11-11:55 a.m.	\$30
16 & up	Tuesday & Thursday	6-7:30 p.m.	\$35

The lessons will be held at Sharp Park (1401 Elmwood, behind the Lansing Mall). Balls will be furnished, but participant will need to supply a racquet and water bottle. Ages are as of the first day of class.

If there are any questions, please contact the Parks & Recreation Department at 323-8555.

**THE BENEFITS OF TENNIS ARE
ENDLESS AND IT IS TRULY THE
SPORT FOR A LIFETIME.**

TOUCH A TRUCK DAY FEATURING A LIVE CONCERT

If you like trucks, cars & music then come to Sharp Park on Saturday, August 24 for a great time. It's time for our annual Touch A Truck Day where kids young & old can touch, honk, & climb on the many vehicles we will have on display. This special day runs from 9:30 am to 2:00 pm and to add to the festivities we have included a concert featuring the band The Sea Cruisers, a 50's 60's pop/rock band. This live performance will take place from 12:00 noon to 2:00 pm at the Amphitheater. Concessions will be available. If you have a truck or piece of equipment and would like to be included, please call us at 323-8555.

HERSHEY TRACK & FIELD MEET

This local meet is a great opportunity for youth to participate in a positive leisure experience, stressing fun and sportsmanship. Those who qualify at this local meet will advance to the State of Michigan Finals in Howell. National qualifiers will receive an all-expense paid trip to the National Finals in Hershey, Pennsylvania.

The Track meet is open to both girls and boys ages 9-14 AS OF DECEMBER 31, 2002. Participation is limited to Waverly School District, Grand Ledge School District and Delta Township Residents. Any exceptions must have prior approval from Delta Township Parks & Recreation or Waverly Athletics & Community Activities. A participant may enter only one local meet.

The meet will be held on Thursday, May 30th at 5:30 p.m. at the Waverly High School Track. The rain date will be Monday, June 3rd. Participants will not be allowed to wear any type of spiked shoes.

To register for this meet, please fill out the registration form on page ??? by circling 2 running events and 1 field event or 2 field events and 1 running event. The registration form must be returned by 5:00 p.m. on Tuesday, May 28th.

NO REGISTRATIONS WILL BE ACCEPTED AT THE MEET.

This program is co-sponsored by Delta Township Parks and Recreation and Waverly Athletics and Community Activities. For more information, please call 323-8555 or 321-2189.

Hershey Track & Field Age categories:

If you were born in 1988 or 1989, you will be competing in the 13/14 year old category

If you were born in 1990 or 1991, you will be competing in the 11/12 year old category

If you were born in 1992 or 1993, you will be competing in the 9/10 year old category

If you are running a relay, all relay members MUST be in the same age category.

To register please use the form on Page 16

Delta Township Website

Have you checked out the Award-Winning Delta Township website? www.township.delta.mi.us
In 2000, the Ann Arbor-based Cyberstate.org, placed Delta Township's website first among Michigan's 49 townships reviewed. Cyberstate is an outgrowth of the Michigan Information Technology Commission and was formed to help Michigan residents improve their quality of life through information technology. They especially felt that Delta's website provides basic information and contacts.

Deputy Director of Utilities Tom Morrissey maintains this great website. He works very diligently to keep the information on the website current.

You will find the following information and much, much more on our website:

Calendar of Meetings

Board of Trustees information and agendas

Department Directory

The Code of Ordinances

Hours of Operation

Recycling information

Elections dates and information

Tax and Assessment information

EATRAN information

Library Information

Parks and Recreation Programs

Cemetery Information

History of Delta Township

Even the current weather

Our website is complete with a variety of maps, email links, directory of services and telephone num-

bers. Please check it out at. It even includes the opportunity for you to provide your feedback.

Water Runoff

Now that summer is here all of us will be out cutting grass, washing cars and enjoying the outdoors. But do you know where the water goes when it runs off your property or roads? Some of it evaporates, some soaks into the ground into our aquifer, and much of it ends up in the rivers and streams, which lead to the lakes and oceans. But what is contained in this water?

As the water flows off your property and roads it picks up contaminants on you lawns, such as fertilizers, pesticides and grass clippings and picks up oils, carbons and pollutants from the cars on the roads. This is the very same water that someday someone will be drinking.

Now is a good time to help to prevent water pollution. Ways you can help is by not blowing your grass clippings into the street, compost the clippings. When you wash your car use an environmentally friendly soap, wash your car on your lawn, the lawn helps to absorb the water and soap pollutants or better yet go to a carwash. Commercial carwashes use 60 percent less water in the entire washing process than a simple home wash uses just to rinse off a car. The water from a carwash goes into the sanitary sewer system, not the storm drains. Help to keep the roads clean of leaves and clippings. The leaves and clippings in the roads causes the storm drains to plug which in turn creates a hazard causing street and yard flooding. Roads are more than a surface to drive on, they are conduits for storm water, which directs the water to storm drains which carries water to the rivers and streams, which all comes back to us as drinking water.

Abandoned Wells

Another source of water pollution is through abandoned wells. These are wells that no one uses anymore, but have not been plugged.

Wells that have not been properly plugged pose a health concern by acting as conduits for contaminants to move from the surface into the aquifers.

If you are hooking up to the Townships water system or have a well that you are not using, call the Barry-Eaton Health Department at (517) 485-7111 or Delta Charter Township, Utility Department at 323-8570 Ext 308 for information on properly abandoning and plugging the well.

Protecting Your Drinking Water

Have you ever put a garden hose in a bucket of soapy water to wash the car?

Have you ever sprayed pesticide or a lawn fertilizer/weed killer with a garden hose sprayer?

Doing these things may seem harmless, but they could endanger the safety of your water supply. They create what is called a "Cross-Connection." A cross-connection allows a way that chemicals or dirty water to be sucked into the public water supply. For example, if you are spraying your lawn with chemicals and the water pressure drops, the chemicals could be sucked back into your drinking water.

To protect your water supply from these hazards and keep dirty water from being sucked back into your drinking water install backflow prevention devices (vacuum breakers) on hose faucets where potential hazards exist.

A backflow prevention device is relatively simple to install and is an inexpensive device that can be purchased at any plumbing or hardware store.

SEWER BACK UP LIABILITY PUBLIC ACT 222

Public Act 222, effective January 2, 2002, provides that property owners may seek damages for backups only if there was a defect in the construction, design, maintenance, operation or repair of the sewer system, and that the municipality knew or should have known about the defect and failed to take appropriate action in a reasonable amount of time to repair, correct or remedy the defect.

Under the new law, **property owners now must report sewer backup incidents within 45 days of discovering the backup.** This will allow municipal officials to respond quickly to ascertain the cause of the backup and take action to correct the problem.

To report a sewer backup incident to, and/or file a claim for damages with, Delta Township, property owners must notify the Clerk's Office in writing within 45 days of discovering a backup. A form for reporting sewer backup incidents and filing claims for damages can be obtained from the Clerk's Office.

Also, please be aware that Delta Township officials are currently working diligently toward developing new policies regarding sewer backup claims that conform with PA 222.

If you have any questions regarding sewer backups, please contact the Utility Department at (517) 323-8570.

**DELTA TOWNSHIP
DISTRICT LIBRARY**

4538 Elizabeth Road**

Sandy Edwards, Library Director
sedwards@township.delta.mi.us

Mary Rzepczynski, Librarian Public Services
Stephanie Conarton, Access Services Coordinator

The library has had a wonderful first few months of the year! As this is being written, circulation is up 6.9% for the first three months of the year! That is evidence that the library and its materials are being used. The library offered a number of programs for both children and adults. These included a parenting workshop, "Miz Rosie" the storyteller, a pajama story time, a Beatrix Potter story time, and the popular character visits during PBS Kids Week. Summer promises a number of great programs tied to our "Castles and Dragons" summer reading program (see below for details).

SUMMER READING PROGRAM

It won't be long before school is out and it will be time for students to participate in the library's Summer Reading Program. This year's theme is "Castles and Dragons" and the staff has got some great ideas for what they're going to be doing. Pertinent dates are as follows:

Monday June 10 th	Registration begins/Friends Open House	
Tuesdays - 10:30am	June 18 th -July 23 rd	Programs for 3-5 yr. olds
Wednesdays - 1:30pm	June 19 th -July 24 th	Programs for 6-11 yr. olds
Thursdays - 12:00 noon	June 20 th -July 25 th	Lunchbox story time
Saturday	August 10 th	Last day to Record Books!
Monday - 7:00pm	August 12 th	Medieval Faire and Feast SRP Celebration

The following special programs are planned:

Saturday, June 8 th - 1:00pm	Graphic Novels and Comic Books	Ages 10 and up	Library
Saturday, June 15 th - 1:00pm	Cartooning	Ages 8 and up	Library
Monday, June 24 th - 7:00pm	Steveanna Roose, Storyteller	All ages	Community Center
Monday, July 15 th - 7:00pm	Ring of Steel Armor and Swordplay	All ages	Community Center
Monday, July 29 th - 7:00pm	Potter Park Zoo Visits	All ages	Community Center

All students in Delta Township schools will have a classroom visit promoting the summer reading program and receive a calendar with all of the pertinent dates and programs listed.

year. Watch for details in the near future!

ADULT SUMMER READING PROGRAM

Summer reading isn't just for children! The adult summer reading program was so popular last year that the adults will have their own program again this summer. If you didn't participate last year, that doesn't mean you can't this year! Stop by the library or check the library's website for further information so you, too, can have a chance to win some great prizes!

LIBRARY WEBSITE

Have you visited our website recently! If not, you can

TEENS

The teens have been busy too. They had an Anime program in March, a poetry workshop and Café in April, and finished off the year with "Rock 'n' Roll Over DEAD" mystery program. The teens will be having their own summer reading program again this

visit it at <http://www.township.delta.mi.us/Library/lib.htm>. The website is updated weekly, so you will always find current information about what's happening @ your library! We have even set up a book request form on it, so you can request your books from home after searching the online catalog!

ONLINE BOOK CLUB

Did you know that you can join the OnLine Book Club @ your library and receive chapters from popular books in your daily e-mail? Each day we'll send you a portion of a chapter. After you've read 2 or 3 chapters from a book, we'll start sending you a new one. You have seven different selections to choose from:

Original Book Club (popular fiction and non-fiction)

Fiction
Audio
Business
Teen
Good News (Christian)
Romance

Sign up on the library's website at

<http://www.township.delta.mi.us/Library/lib.htm>

LIBRARY BOARD

The Delta Township District Library Board meets on the first Tuesday of each month in the north wing of the Delta Enrichment Center. Meetings are open to the general public. Upcoming dates are as follows:

June 4th, July 2nd, August 6th

FRIENDS OF THE LIBRARY

The Friends of the Delta Township District Library had a very successful sale at the beginning of April! Due to the success of the sale, they are in need of donations for The Second Time Around Book Store. The Book Store is open:

Monday-Wednesday	7:00pm-8:30pm
Friday	1:00pm-3:00pm
Saturday	12:00pm-4:00pm

DELTA TOWNSHIP DISTRICT LIBRARY

321-4014
4538 Elizabeth Road

Sandy Edwards, Library Director
sedwards@township.delta.mi.us

Mary Rzepczynski, Librarian Public Services
Stephanie Conarton, Access Services Coordinator

Donations are always appreciated and are accepted during library open hours.

HOLIDAYS

The library will be closed Saturday-Monday, May 25th-27th in observance of the Memorial Day weekend. The library will close at 6:00pm on Wednesday, July 3rd and will be closed Thursday, July 4th-Sunday, July 7th in observance of the Independence Day holiday. The library will reopen at 10:00am on Monday, July 8th.

**Proposed Development at the Nixon/
West Saginaw Intersection**

In December, 2000 the Delta Township Board of Trustees denied a rezoning request for a proposed 600 unit manufactured housing community at the southwest corner of the Nixon/West Saginaw intersection. In January, 2001 the developers (Grand Ledge Investment Group) instituted legal action in Eaton County Circuit Court pertaining to the zoning denial. In January, 2002 an Eaton County Circuit Court Judge denied the Township's request to dismiss the lawsuit.

In March, 2002 the Board of Trustees entered into a Consent Judgment and Utility Agreement with the developers which ended the litigation and permitted the development to proceed. The proposed development will consist of the following components:

- 61 Single Family Lots in a subdivision adjacent to the south property line
- 263 Manufactured Housing sites in the center of the development
- 440 Apartments along West Saginaw & a portion of Nixon Road
- 65,500 sq. ft. of retail space at the Nixon/West Saginaw intersection

The proposed development will be served by public sanitary sewer and water mains. The Consent Judg-

ment includes the following provisions:

- A phasing plan has been mandated for the manufactured homes.
- The utilities for the single family subdivision must be installed prior to the issuance of building permits for manufactured homes or apartments.
- No more than 10% of the apartments shall be 3 bedroom units.
- The manufactured homes shall be located at least 500 ft. from the center of Nixon Road as per the site plan.
- Landscaped buffer strips & sidewalks must be installed parallel to West Saginaw & Nixon Road
- Improvements to Nixon Road will include deceleration tapers & lanes at the driveways and a left turn lane at West Saginaw.
- Building permit applications for the manufactured homes shall include a one-time payment of \$418 to the Grand Ledge Schools.
- All of the manufactured homes must be double-wides containing a minimum of 1,000 sq. ft.
- The retail area shall not include 24 hour businesses, car washes, gas stations, fast food restaurants, and drive-thru businesses (with the exception of banks/credit unions).

If you have questions regarding the proposed development you can contact Mark Graham in the Planning Department at 323-8560.

The Delta Township Planning Commission meets twice a month; the second and fourth Mondays of each month.

These meetings are held in Meeting Room A, Township Administration Hall, at 7:00 p.m. Public is welcome.

Agendas for these meetings are prepared in advance and can be requested from the Planning Department.

NEW ELEVATED WATER STORAGE TANK FOR DELTA

The new elevated water storage tank to serve Delta Township is scheduled for use during 2002. The new tank is on the west side of I-69/I-96, just north of Millett Highway. The water storage tank is 75 feet in diameter and 150 feet in height and will hold one million gallons of water.

This is the fourth water storage facility in the Delta Township water system and is bringing the total storage capacity of the system to 4,750,000 gallons. This storage capacity is needed to meet peak water consumption demands during the summer months and to provide water for fire flow demands.

SIDEWALKS

Over the past 5 years Delta Township Engineering Department has been conducting a sidewalk repair program. In areas with existing sidewalks Delta has hired a contractor to remove and replace damaged or dilapidated slabs of concrete, eliminate trip edges and provide access ramps at intersections. This year we will be continuing work in the Williamsburg subdivision, select areas of Sections 14 and 15 and Windcharme. Able Concrete has been selected to do the work in 2002. In addition to the work Able is contracted for, we will be using Kent Concrete Leveling on a trial basis to jack newer sidewalk slabs back into place and eliminate trip hazards.

The cost to remove and replace a 5'x 5' slab of sidewalk in a neighborhood is \$100.00 (including the restoration to the adjacent lawn). The cost of leveling the same slab of concrete is about ½ the cost. The criteria for repairs are as follows:

- A rise or drop of more than 1 inch along the path of travel
- More than 2 cracks of ¼" in width or more in any 2 linear feet of sidewalk
- Any section of sidewalk which is rotated in excess of 1 in. per ft. from inside edge to outside edge.
- If, in any 5 foot linear section of sidewalk where 50% or more of the surface has scaled off to a depth of ¼ inch or greater.

If you become aware of sidewalk that, based on these guidelines, is in need of repair call the Engineering Dept at 323-8540.

DELTA TOWNSHIP ENGINEERING DEPARTMENT

323-8540

Dennis Williams, P.E., Director
dgwilliams@township.delta.mi.us

Dennis Nimphie, Assistant Township Engineer
Jenny Noeker, Department Secretary

PUBLIC IMPROVEMENTS

Public improvements such as new sanitary sewer and watermain, paving gravel roads, and sidewalks in existing residential areas are usually initiated by petitions from the residents of the area. Under this process, residents must petition the Township Board requesting a specific improvement and the Township Board will create a Special Assessment District to construct the improvement and assess the cost against the properties that benefit from the improvement. Please call the Delta Township Engineering Department at 323-8540 for specific information on such public works improvements.

2002 DELTA TOWNSHIP AERIAL PHOTOGRAPHY

Since 1982 Delta Township has contracted to have aerial photography of the entire Township performed every five years. These photographic enlargements have been available in the Engineering Department and are a useful tool in studying land use evolution. In 1997, the Township obtained Digital Ortho Photography. This is an electronic image of the entire township that accurately represents the real world. By this we mean the "picture" is carefully matched to actual field survey information to create an accurate map. The 1997 digital photography was very well received by engineers, surveyors, developers and the general public.

Some residents will notice the appearance of what are referred to as "targets" throughout the Township. These targets are large (6'x6'x1') "X's" that are precisely positioned over survey control points. They may be in the form of an "X" painted at an intersection of 2 roads or they may be a fabric of particleboard panel that lies off the road but within public Right of Way. We ask that these targets not be disturbed until such time as the photography is completed and at that time Township staff will remove them.

**DELTA TOWNSHIP
BUILDING DEPARTMENT**

Sue Birdsall, Department Secretary

Outdoor Wood Burning Furnace

You may have seen a small metal shed bellowing smoke out of a smoke stack. Built inside this enclosure is a wood burning furnace. The furnace utilizes wood as a fuel source. The unit heats water and through an underground piping system provides a heat source for your water heater or furnace.

As you may be aware there are many Outdoor Wood Burning Furnaces that are either homemade or are made without any listings or labels. These types of equipment shall be listed and labeled and installed by a licensed mechanical contractor. The contractor should secure a permit and an inspection conducted to assure proper installation and listing.

**New Electrical Technology to Reduce Fires and
Save Lives**

There is new electrical technology that is designed to reduce the number of electrical fires and to save lives. Many electrical fires have been determined that the cause was a short circuit. Over the years circuit breakers have been designed to protect our homes and families from electrical hazards and the fires that they can create. The problems of electrical fires has not been substantially reduced over the years and the Consumer Product Safety Commission's (CPSC) residential fire report in 1996 revealed that in a one year period that there were over 43,000 electrical related fires where over 330 fatalities occurred, along with over 1,800 injuries and over 700 million dollars in property damage. The previous technology of circuit breakers was unable to detect a phenomenon known as an arc fault. It was believed that the arc fault caused a majority of the electrical fires from the report by CPSC.

New technology has emerged that will detect an arc fault and de-energize the circuit before a fire can start. The new technology is an "Arc-Fault Circuit Interrupter" (AFCI) circuit breaker. The National Fire Protection Association, NFPA, is responsible for the making of the National Electrical Code, NEC, and in their 1999 edition made a code requirement for the installation of arc-fault circuit interrupters. Most electricians and electrical inspectors feel that the arc-fault circuit interrupter is the greatest thing in the electrical industry since ground-fault circuit-interrupter (GFCI) protection. The Arc-Fault Circuit Interrupter will drastically reduce the number of electrical fires and save numerous lives.

There is more information regarding this article located on the Delta Charter Township website at www.township.delta.mi.us

Backyard Storage Buildings

Summer is great time to build that backyard storage shed you thought about all winter. One-story detached storage buildings with a floor area of less than 200 square feet do not require a building permit. Even though the buildings do not require a building permit, the buildings are still required to be built in compliance with the building code and all other township ordinances. Please check with the township planning department for property line set-back requirements and lot coverage. If you plan on having power in the storage building an electrical permit is required as well. Feel free to call or e-mail any storage building questions to the Building Department at 323-8530 or ddunn@township.delta.mi.us.

Licensed Contractors

Once in a while individuals attempt to interest home owners into having work done that they are not licensed to perform. If anyone comes to your house wanting to re-roof your house or perform any other type of work, please contact the State of Michigan at (517) 241-9313 to see if the individual/company is licensed with the State of Michigan.

Always check with the township building department to see if a permit will be required.

PHOTOGRAPHY PROGRAM

The Assessing Department continues to work on updating the photographs of each property within the Township. A photograph is an important part of the records since they visually present the other information maintained as part of the township's property records. This process will continue during the summer months until the entire township has been photographed. When completed, the digital photographs will be displayed as part of the property record card and on the township's website under the **Assessing Information Online** button. All appraisers will have pictured identification with them and will be in marked Delta Township vehicles when taking the photographs.

DELTA TOWNSHIP ASSESSING DEPARTMENT

323-8520

7710 W. Saginaw Highway

Dave Davis, Director

ddavis@township.delta.mi.us

Ted Droste, Township Assessor

Cindy Jewell, Department Secretary

DATES TO REMEMBER

- March 1: Unpaid 2001 property taxes become delinquent. All unpaid "Real" property taxes are turned over to the County for collection. "Personal" property taxes remain payable to Delta Township.
- May 1: Deadline for filing **Homestead Affidavits**.
- June 30: Deadline to file an appeal with the Michigan Tax Tribunal if not satisfied with the decision of the 2002 March Board of Review.
- July 1: 2002 Summer tax bills are payable.
- July 16: The Board of Review meets to correct Assessor verified clerical errors, and to correct missing Homestead Exemptions.
- September 14: Last day to pay 2002 Summer taxes without additional charges. (For 2002, this deadline is extended until the 16th since the 14th falls on a Saturday)

DATA VERIFICATION

During the spring and summer months, the Assessing Department will continue our on-site process of updating individual property records on all homes. The purpose of the inspection is to verify the accuracy of our data and assure that properties are assessed uniformly and at approximately 50% of Market Value. Property owners within selected neighborhoods will receive informational letters prior to a visit from this department. Most neighborhoods to be visited this year will be newer subdivisions and condominium projects not visited within the last ten years except to gather information on new construction activity. Vis-

iting all homes within a selected neighborhood at the same time helps assure that all homes are being fairly assessed in comparison to each other.

During the visit the appraiser will check the exterior measurements and property features and verify and inspect interior features whenever possible. Property owner are not required to allow the Assessing Department personnel into their home but a complete inspection will help assure you are being assessed based on the correct information. If you choose not to allow an interior inspection, we would request that you answer the appraiser's questions at the door or by telephone.

**DELTA TOWNSHIP
ASSESSING DEPARTMENT**

323-8520

7710 W. Saginaw Highway

Dave Davis, Director
ddavis@township.delta.mi.us

Ted Droste, Township Assessor
Cindy Jewell, Department Secretary

If the appraiser should visit the home while the homeowner is away, they will leave a green door hanger to inform you that they were there. We would request that you call the Assessors office and make an appointment so the appraiser may revisit the home to complete the appraisal. Your cooperation with the staff is greatly appreciated.

HOMESTEAD EXEMPTIONS

A Homestead Exemption exempts a qualified property from paying local school district operating taxes. To claim an exemption if you have not previously filed, you must file a Homestead Exemption Affidavit with the Assessing Department by May 1st declaring that you **own and occupy** a property as your principal residence. Once a Homestead Exemption is added, it will remain in effect until you let us know that circumstances have changed. Should you change your primary residence, you will need to rescind your current homestead in order to file for exemption on your new residence. A homeowner is entitled to only one homestead exemption. Homestead forms are available in the Assessors office.

Please make sure that you have filed for Homestead Exemption if you feel that you qualify. You can verify your homestead exemption status on several documents mailed to you by the Assessor's or Treasurer's Offices. The annual Notice of Assessment, Taxable Valuations, and Property Classification has an area stating "**% Exempt as Homestead**". The property tax bills contain a line stating "**Homestead %**". These typically are 100% if there is a Homestead Exemption in effect, or 0% if there is not.

Homestead exemptions for the current year, and possibly for the previous year, may be corrected at our July and December Board of Review meetings if the problem is brought to our attention. The Homestead Exemption appearing on your property tax bills should not be confused with the Homestead Property Tax Credits that you may also qualify for as a part of filing your Michigan Income Tax.

LAND DIVISIONS OF PROPERTY

The Michigan Subdivision Control Act of 1967 has been amended twice. First by P.A. 591 of 1996 which renamed the Act to the Michigan Land Division Act, and second by P.A. 87 of 1997 to clarify certain provisions and procedures for the approval of a land division. The Act now requires local government approval of most transactions involving the dividing of land.

The Land Division Act eliminated previous provision allowing no more than four splits of land, ten acres or less in size, to be made in a ten-year period. There were no restrictions on the number of splits allowed creating parcels in excess of ten acres. Under the new Act, a division occurs only when the resulting parcels created are less than 40 acres in size. The Land Division Act provisions allow four divisions for the first ten acres of land area, and one additional division for each whole ten acres of land area after the first ten acres, within a ten-year period.

This however is just a basic breakdown of allowable divisions under the Land Division Act. The Act itself is much more detailed and complex than can be explained in this magazine. It is recommended, and required, that before you decide to divide any parcel of property that you contact either the Planning Department or the Assessors Office to get the full overview of the New Land Division Act to see how it specifically applies to your property. The complete Michigan Land Division Act is also available in the Assessors Office for your review.

Selling a parcel of land that does not meet Delta Township Ordinances as well as the Michigan Land Division Act may result in complications at a later date when obtaining building permits, site plan reviews, or establishing new parcels of ownership at the time of sale.

If you should have any question, please feel free to contact either the Assessing or Planning Department.

2002 ELECTIONS

Listed below are the Election Dates for 2002.

School Election	Monday, June 10, 2002
Primary Election	Tuesday, August 6, 2002
General Election	Tuesday, November 5, 2002

This year, voters will elect a Governor, Lt. Governor, state senators, state representatives, Secretary of State, County Commissioners and other officials. If you will be out of town for the August or November Elections, please contact the Clerk's Office at 323-8500 and request an Absentee Ballot.

If you would like an absentee ballot for your school election to be held on June 10th, please contact your school district office at the appropriate number below:

Grand Ledge Schools	622-2206
Holt Public Schools	694-2135
Lansing Public Schools	483-4133
Waverly Community Schools	321-7265

REAPPORTIONMENT NEW VOTER I.D. CARDS

New county commissioner districts and precinct lines were drawn. This added one new precinct to accommodate the increase in voters due to the 2000 Census. Voter Identification Cards were mailed to all Delta Townships registered voters the end of April. If you are a registered voter in Delta Township and did not receive your new voter identification card or have questions on reapportionment, please contact the Clerk's Office at 323-8500.

RECYCLING

RECYCLING CENTER – SUMMER HOURS – APRIL - NOVEMBER

Wednesdays, 2 p.m. – 8 p.m. and Saturdays – 9 am – 2 p.m. Yard Waste bins are now at the Recycling Center for disposal of yard waste. **REMINDER: Plastic bags are no longer accepted for yard waste, the large yard waste bags are for sale at the Clerk's Office and the recycling center for \$0.50 each, they are**

2002 POLLING LOCATIONS

Below is a list of the polling locations and their addresses. Your new voter card that was mailed to all Delta Township registered voters in April of 2002, should reflect your correct precinct location and address.

PRECINCT NO.	LOCATION	ADDRESS
41	Delta Community Center	7550 W. Willow, Lansing
42	Delta Haven Methodist Church	12406 Broadbent, Lansing
43	Delta Haven Methodist Church	12406 Broadbent, Lansing
44	Delta Community Center	7550 W. Willow, Lansing
51	Grace Bible Church	1000 S. Canal, Lansing
52	Trinity United Methodist Church	7533 W. St. Joe, Lansing
53	Delta Presbyterian Church	6100 W. Michigan, Lansing
61	St. David's Episcopal Church	1519 Elmwood, Lansing
62	St. David's Episcopal Church	1519 Elmwood, Lansing
63	Delta Township Library	4538 Elizabeth, Lansing
71	Calvary Lutheran Church	6301 W. St. Joe, Lansing
72	Faith Bible Church	5211 W. St. Joe, Lansing
73	Seventh Day Adventist Church (Community Building)	5400 W. St. Joe, Lansing
81	Millett Fire Station	Lansing Road, Lansing
82	South Baptist Church	5250 Cornerstone, Lansing

Delta Haven Free Methodist Church & South Baptist Church are Delta Township's two new polling locations for 2002. Delta Township would like to thank all the above listed polling locations for their community support.

MT. HOPE ROAD – SPRING/SUMMER ROAD CONSTRUCTION

Voters in precinct 82, vote at South Baptist Church which is located at 5250 Cornerstone Drive. Please be aware that Mt. Hope Road will be under construction this spring/summer for road widening. Voters should find an alternate route other than Mt. Hope or expect delays due to the road construction. Please call the Clerk's Office for updates on the road construction as we near the August 6th Primary Election for the best route to this polling location.

TORNADO SAFETY

Tornadoes are nature's most violent storms and can leave an area devastated in seconds. A tornado appears as a rotating, funnel-shaped cloud, striking the ground with whirling winds of up to 200 miles per hour or more. A tornado spins like a top and may sound like an airplane or train. Although tornadoes normally travel for up to 10 miles before they subside, 200-mile "tornado tracks" have been reported. Tornadoes can strike at any time of year and often accompany hurricanes. Tornadoes can occur at anytime of the day or night and in almost any month of the year, however most tornadoes occur in the months of April, May, June and July in the late afternoon and evening hours between 3 p.m. and 7 p.m.

What to do before a tornado strikes:

1. Know the terms used to describe tornado threats: A tornado watch means tornadoes, severe thunderstorms, or both, are possible. Stay tuned to radio and television reports in your area. Keep watch on the sky.

A tornado warning means tornadoes have been sighted. You should take shelter immediately.

2. If you see any revolving funnel-shaped clouds, report them immediately by telephone to your local police department, sheriff's department, fire department or dial 911.

3. Know the locations of designated shelter areas in public facilities such as schools, public buildings and shopping centers.

4. Have emergency supplies on hand during tornado season, such as a battery-operated radio, extra

batteries, lantern and fuel, flashlights, candles, matches in a waterproof container, fire extinguisher, etc.

5. Be sure everyone in your household knows in advance where to go and what to do in case of a tornado warning.

6. If you live in a single-family house in a tornado-prone area, reinforce an interior room to use as a shelter - in the basement, storm cellar or a closet on the lower level of your house.

7. Make an inventory of your household furnishings and other possessions. Supplement the written inventory with photographs. Keep inventories and photos in a safe deposit box or some other safe place away from the premises.

What to do during a tornado:

1. Whenever severe thunderstorms threaten your area, listen to radio and television newscasts for the latest information and instructions.

2. When a tornado has been sighted, stay away from windows, doors and outside walls. Protect your head from falling objects or flying debris. Take cover immediately, wherever you are:

In a house or small building, go to the basement or storm cellar. If there is no basement, go to an interior part of the structure in the lower level (closets, interior hallways). In either case, get under something sturdy, such as a heavy table and stay there until the danger has passed.

In a school, nursing home, hospital, factory or shopping center, go to predesignated shelter areas. Interior hallways on the lowest floor are usually safest. Stay away from windows and open spaces. Cooperate with the staff and authorities - they have had training about how to deal with emergencies.

In a high-rise building, go to small interior rooms or hallways on the lowest floor possible.

In a vehicle, trailer or mobile home, get out immediately and go to a more substantial structure.

If there is no shelter nearby, lie flat in the nearest ditch, ravine or culvert with your hands shielding your head.

3. Do not attempt to flee from a tornado in a car or other vehicle. They are no match for the swift, erratic movement of these storms.

What to do after a tornado:

1. Use great caution when entering a building damaged from high winds. When entering or cleaning a tornado-damaged building, be sure that the ceiling,

roof and walls are in place and that the structure rests firmly on the foundation.

2. Look out for broken glass and downed power lines.

3. Check for injuries. Do not attempt to move seriously injured persons unless they are in immediate danger of further injury. Call for help immediately.

If the victim is unconscious or has head or facial injuries and you are reasonably sure there has been no spinal cord injury, raise the person's head and shoulders slightly. Be sure the head and upper back are supported and clear the airway so that he or she will not choke.

Maintain body temperature with blankets. Be sure the victim does not become overheated.

Never try to feed liquids to an unconscious person.

Ambulance Services/Delta Residents

Reminder: The Delta Township ambulance millage ensures that residents of Delta Township receive emergency ambulance service at no charge to the resident.

Only residents' insurance companies and non-residents will receive an invoice for service from Delta Township.

All ambulance services provided by the Delta Township Fire Department is 'advanced' service, which means that citizens receive Paramedic level service and care.

Please note that the private ambulance services such as Life EMS, Lansing Mercy and Lansing Mason Area Ambulance charge all patients for their service. Their subscription programs are not necessary for emergency ambulance service for Delta Township residents.

Car Seat Safety

WHY USE A CAR SEAT?

The law throughout the United States says that babies and children must ride in child safety seats until they're old enough to wear seat belts.

Motor vehicle crashes are a leading cause of death for children ages 1-5 in the United States. Correct use of car seats could prevent many of these tragedies.

In a crash at 30 miles per hour, a 10-pound baby could be ripped from an adult's arms with a force of

DELTA TOWNSHIP FIRE DEPARTMENT

Richard Meister, Deputy Chief

Channyn Streeter, Department Secretary

Kathy Brooks, EMS Secretary

almost 200 pounds and hurled into the dash or windshield.

WHEN TO USE A CAR SEAT

Use a car seat EVERY TIME on EVERY TRIP.

Don't make the deadly mistake of using a car seat only on freeways or long trips. Most car crashes happen within 25 miles of home.

Be sure any friends, relatives or babysitters a child rides with have correctly installed safety seats they use every time the child is in the car.

WHAT KIND OF CAR SEAT

Infants up to 20 pounds should ride facing the rear of the vehicle in infant-only or convertible safety seats (seats that convert from rear-facing for infants to forward-facing for toddlers).

Children weighing about 20 to 40 pounds should ride facing forward in convertible safety seats or harness systems.

Children who have outgrown their convertible seats or harnesses should ride in booster seats until adult safety belts fit them properly.

Booster seats may be either the small shield or belt-positioning type. Older children may wear safety belts when: the lap belt stays low and snug across the hips without riding up over the stomach and the shoulder belt does not cross the face or front of the neck. *Never allow children to place the shoulder part of the safety belt under their arms.*

DELTA TOWNSHIP FIRE DEPARTMENT

321-6622

7614 W. Saginaw Highway

Victor Hilbert, Fire Chief

vhilbert@township.delta.mi.us

Paul Fabiano, Deputy Chief

Richard Meister, Deputy Chief

Channyn Streeter, Department Secretary

Kathy Brooks, EMS Secretary

An approved child safety seat has a label that says: "This child restraint system conforms to all applicable Federal Motor Vehicle Safety Standards." This label is usually on the back of the car seat.

If you plan to use the safety seat on an airplane, the label should read: "This restraint is certified for use in motor vehicles and aircraft."

CHILD'S GUIDE TO EMERGENCY HELP: DIAL 911

911 is your emergency telephone number. You need to know how and when to call 911 in case you ever need help. You can reach fire and police departments and ambulance services by dialing 9-1-1.

When to call 911:

There are four reasons to call 911.

1. To get help for someone who is hurt or very sick.
2. If you smell smoke or see a fire.
3. If you see someone stealing something or hurting someone.
4. If you need emergency help fast for any reason.

REMEMBER: Don't call 911 to ask questions or to play a joke. This number is for emergencies only.

How to make an emergency call to 911:

1. Stay calm. Don't get excited. Take a deep breath.
2. Dial 911 right away. Don't wait for someone else to call.
3. Tell the person who answers the phone exactly what is wrong, like this:
"... my house is on fire."
"... there was just a car accident in front of my house."
"... my Daddy is hurt - he fell off a ladder and can't move."
"... I'm home alone and someone is trying to break in."
4. Tell them the exact address where the emergency is ... be sure to give the FULL address, including your apartment number if you live in an apartment.
5. Tell them the phone number you are calling from. If you are not at the same address as the emergency, tell them the address where you are.
6. Tell them your name.
7. **DO NOT HANG UP** ...until the person on the telephone tells you to. They may need to ask you more questions to help the fire, police or ambulance find you. They will also tell you what to do until help arrives.

Delta Township Burning Regulations

1. Burning barrels are allowed only in agriculturally zoned areas (A1 or A2).
2. The container must be fire proof, constructed of metal or masonry, with an approved spark arrester or screen with openings not more than 3/4 " in diameter.
3. You may burn Class A (paper, cardboard and yard waste) products. No food, plastics, diapers, cans or garbage can be burned at any time.
4. You may burn only yard waste that is grown or has originated on your own property. No material may be brought in from another residence or location to be burned in Delta Township.
5. You may burn only between the hours of sunrise and sunset. The fire must be completely out by dark.
6. Open burning is allowed only in areas zoned A1 or A2 only. A burning permit is required for all open burning.
7. You must be physically in attendance at all times.
8. A source of water must be nearby.
9. Smoke must not be offensive to your neighbors.
10. No stumps, logs or building materials shall be burned.

JOIN DELTA-SIDE BUSINESS ASSOCIATION

Delta Township has a business organization, Delta-Side Business Association, dedicated to advancing business and networking opportunities on the Westside. On behalf of Delta-Side Business Association, I would like to invite you to attend any of our meetings. I am confident after attending and experiencing the benefits of our organization you will want to join. Join us on the third Tuesday of each month at 5:30 p.m. at the Quality Suites on Delta Commerce Drive. I would be delighted to speak with you further about our organization. Call Jeff Lowe at Skory Auto Sound at 321-9205.

SUMMER ROAD CONSTRUCTION

Mt. Hope Road: Mt. Hope Rd. will be widened to four lanes from Lansing Rd. to Creyts Rd. Phase I, from Lansing Rd. to Snow Rd. began in March and will be completed in May. Phase II, from Snow Rd. west ½ mile will begin in May and be complete by July. Phase III, from a ½ mile east of Creyts to Creyts Rd. will begin in July and be completed in September. The section of road that is under construction at any given time will not be open to through traffic.

St. Joseph Hwy. and Snow Rd. intersection:

The intersection will be widened and lanes will be added in all four directions this summer. The intersection will remain open to traffic throughout the project. Expect delays. The bids have not yet been awarded; and therefore, a starting date for construction is unavailable.

MDOT I-96 reconstruction and bridge projects:

Interstate 96 will be under construction from Okemos Rd. to I-69. Traffic will be limited to one lane in many areas and residents should expect delays throughout the summer construction season.

- EB and WB I-96 under Creyts Rd is reduced to one lane in each direction for the duration of the project.
- EB and WB I-96 between Cedar St and Aurelius Rd will be reduced to one lane of traffic in each direction for several weeks.

DELTA TOWNSHIP MANAGER'S OFFICE

Amy J.P. McEwan, Assistant Township Manager

Linda Wells, HR Generalist

Kathy Ernst, Department Secretary

The following ramps are closed:

- Ramp from EB I-96 to SB Lansing Rd.
- Ramp from EB I-96 to NB Lansing Rd.
- Ramp from NB Lansing Rd to EB I-96.
- Ramp from SB Lansing Rd to EB I-96.

Traffic for these ramps detour to I-69 and Lansing Rd.

Ramp from EB I-96 to EB I-496 and WB I-496 to EB I-96 is reduced to one lane for several months.

The following roads are impacted by bridge work:

- Canal Rd under I-96 will be down to one lane for short durations for equipment/material movement and bridge work. This work is current and will continue over the next several months.
- Lansing Rd. traffic under I-96 is reduced to one lane in each direction until September.
- Waverly Rd and I-96 is reduced to one lane across the bridge for the next couple of months.
- Creyts Rd over I-96 is reduced to one lane across the bridge for the next couple of months.

EATON COUNTY MANUFACTURERS' NETWORK

The Eaton County Manufacturers' Network meets the third Thursday of each month at 11:30 a.m. for lunch. Those who are involved in a manufacturing business are welcome to come and join for a lunch hour of networking and manufacturing educational opportunities. The location of the luncheon is at Michigan Works Service Center in Charlotte, Michigan. Please call 517-543-5278 for directions.

Delta Township Central Fire Station

Delta Township Voters approved a millage $\frac{3}{4}$ mil for 7 years to construct a new Central Fire Station on September 18, 2001. Construction on the new station begins this spring and will continue through spring of 2003.

The existing station is limited to 5-safety personnel per shift. The training facilities are cramped and inadequate to accommodate necessary training exercises. The old station was in need of significant investment to continue operations. Limited site space and the need for future expansion made modifications to the existing facility impractical. In addition, the old station had poor vehicular access on Canal Rd. due to the close proximity to Saginaw Hwy.

In the long-run, construction of a new facility was the wisest alternative. The new station will allow 30-years of growth and expansion within the Township and may accommodate up to 10 safety personnel per shift in the future. The new station will be located north of the existing station at the northwest corner of Canal Rd. and Administration Dr. providing safer and more efficient ingress and egress onto Canal Rd. from the station. Other improvements include enhanced training facilities, improved communication systems, inclusion of technological advancements, larger vehicle bays to house today's larger fire apprentice and vehicles and building capable of meeting the needs of a modern fire department.

Thank you for your support of the Delta Township Fire Department. We will continue our efforts to provide the best fire service to the citizens and businesses of Delta Charter Township.

NEIGHBORHOOD PRIDE AWARDS:

Delta Township has teamed up with Lowe's Home Improvement to present Neighborhood Pride Awards to recognize existing residents and businesses in older neighborhoods for exterior renovations that have a positive visual impact on the surrounding neighborhood.

We encourage you to submit your nominations to the Township Manager's Office at 323-8590 or *amcewan@township.delta.mi.us*. Ideal nomination will be older facilities with visible exterior improvements to the facility that have the affect of improving the surrounding neighborhood.

Thank you to our corporate sponsor Lowe's Home Improvement. Lowe's Home Improvement is located in Delta Township on Marketplace Blvd.

CONGRATULATIONS

During the first quarter of this year, Delta Township presented three Neighborhood Pride Awards. These awards were for the outstanding holiday decorating done by:

Dennis and Judy Robins
12901 Kingsgate Way
Delta Township

John Silvas
Gathered Treasures
6336 E. Saginaw Highway
Delta Township

Richard and Dorothy Ritter
1226 Thomas L. Parkway
Delta Township

During the holiday season, it was truly a joy for residents to be able to drive through the Township and be able to view so many festive homes. There is a sense of pride that Delta Township residents display every day.

Waverly Community Schools Youth Sports Programs

If you have any questions regarding registration for these Waverly School Programs, please call 323-0155 for more information.

BOYS YOUTH BASKETBALL CAMP - Waverly High School Head Coach Phil Odum and his staff will provide a youth basketball camp for boys entering 4th - 8th grade. Location will be the high school gym.

Activity #	Dates	Time	Cost
2009	June 10 th - 13 th	9:00 - 12:00 pm	\$50.00

GIRLS YOUTH SOFTBALL CAMP - Waverly High School Softball Head Coach Terry Hadley will provide a youth softball camp for girls 7 years old and up. Location will be the high school softball fields.

Activity #	Dates	Time	Cost
2010	June 10 th - 13 th	12:30 - 3:00 pm	\$50.00

GIRLS YOUTH BASKETBALL CAMP - Lady Warrior coaching staff under the direction of Frank Trotter, Girl's Varsity Basketball Coach, will provide a youth basketball camp for those girls entering 4th - 8th grade. Location will be the high school gym.

Activity #	Dates	Time	Cost
2011 A	June 17 th - 21 st	9:00 - 10:30 am (Grades 4, 5, 6)	\$50.00
2011 B	June 17 th - 21 st	10:30 - 12:00 pm (Grades 7 & 8)	\$50.00

COED LACROSSE CAMP - Waverly High School Head LaCrosse Coach Bill Prahler will provide a LaCrosse camp for students entering 6th-12th grade. Location will be the high school LaCrosse field behind the high school.

Activity #	Dates	Time	Cost
2014	June 17 th - 21 st	9:00 - 12:00 pm	\$75.00

DANCE CAMP - Waverly High School Head Dance Coach Lakeka Pruitt will provide a camp for girls 6 - 14 years old. Location will be the high school cafeteria.

Activity #	Dates	Time	Cost
2015	July 9 th - 12 th	10:00 - 12:30 pm	\$55.00

CHEERLEADING CAMP - Waverly Middle School will provide a cheerleading camp for girls entering 5th - 8th grade. Location will be at Waverly High School's gym.

Activity #	Dates	Time	Cost
2018	July 22 nd - 25 th	5:00 - 7:00 pm (Grades 5 - 8)	\$50.00

YOUTH VOLLEYBALL CAMP - The Lady Warrior Volleyball, Jennifer Marshall, will provide a camp for students entering 5th - 12th grade. Location will be the high school gym.

Activity #	Dates	Time	Cost
2017	August 5 th - 8 th	10:00am - 12:00 pm (Grades 9 - 10)	\$50.00
3017	August 5 th - 8 th	1:00pm - 3:00pm (Grades 11 - 12)	\$50.00
4017	July 29 th - August 1 st	1:00pm - 3:00 pm (Grades 5 - 8)	\$50.00

BOYS YOUTH INSTRUCTIONAL BASKETBALL CAMP - Lee Peters, 8th Grade Boy's Basketball Coach, will provide a special instructional camp for boys entering 5th - 8th grade. The camp will be on Monday, Tuesday, and Wednesday. Notice the times for specific grades Minimum 12, maximum 20. Location: M.S. gym.

Activity #	Dates	Time	Cost
2020	July 1 st - 10 th	3:00 - 4:30 pm (5 th) 4:30 - 6:00 pm (6 th)	\$50.00
2021	July 15 th - 24 th	3:00 - 4:30 pm (7 th) 4:30 - 6:00 pm (8 th)	\$50.00

COED SOCCER CAMP - The Waverly Soccer Boosters under the direction of Dale Ward, Varsity Soccer coach, will be providing a Coed Soccer Camp for boys and girls 6 years old and up. Location will be the high school soccer field.

Activity #	Dates	Time	Cost
2023	August 4 th - 8 th	6:00 - 7:30 pm (6 - 13 years)	\$55.00
2024	August 4 th - 8 th	6:00 - 7:30 pm (Grades 9 - 12)	\$55.00
2024	August 4 th - 8 th	6:00 - 7:30 pm (Grades 9 - 12)	\$55.00

BOYS BASKETBALL CAMP FOR 9TH AND 10TH GRADERS - Waverly High School will be hosting a basketball camp for boys entering 9th and 10th grade interested in playing at the H.S. level. Location is H.S. gym.
